Grace and Shalom Avram Yehoshua,

I am Conrad, a Jew, who like you believes that Yeshua ben Yosef is the Messiah of Israel. Your article GOODBYE MESSIANIC JUDAISM rings true to what the God of Israel has been showing me during my 30 year walk with Him. In 1969 I became born again and have not looked back since. In 1990 I became actively involved with the Messianic movement in Canada. I am a serious student of both Moses and Yeshua - my studies have lead me to the same conclusions that you arrived at.

I am here in Tel Aviv seeking to know God's plan both for myself and His People Israel. As I languished at the poor quality of teaching in the "messianic" assembly I attend here, I cried out to God. The answer came from a friend's e-mail - a copy of your article.

Your Kingdom Violence article was beautiful. I thank God that He has lead me to your website. I read your most encouraging life story as well as your article on Acts 15:20, the comments (06 & 07), and everything on the Meet Avram Yehoshua link. I started studying Hebrew this morning as you suggested. I can read and write the entire alphabet (including the 5 final letters). I have even presented your information to my father for review. My father is a Pentecostal Bishop. He has also studied much within the last 30 years, however not from the Hebraic perspective as you teach. Of course as most Christians he believes that the Law is dead. He actually listened to your position on these matters (as I played devil's advocate) and agreed with you on several points (w/ some convincing). I just got off the phone with him.

I want to tell you that I have a burden for you and your sons reconciliation. I understand pain in marriage, but I have never experienced anything remotely as devastating as what you have experienced. I currently have two daughters 2 & 3 years old. As I sat here playing with them today I didn't know what I would do without them. I presume it's better to be impotent than not be able to father your children. By the grace of God, I will pray for you this day that God returns for you your children.

Your voice needs to be heard everywhere (Yeshua's voice through you). You need an international platform to dismeninate His teachings. I realize that Israel may be your home-base; but you will need increased financing to take your message to the nations. You're are like the Rauch, a breath of fresh air. As God continues his restoration of all things, I truly believe you are a man before his time. This is why your journey has been such a difficult one. Nevertheless, your sons will see God's face in peace, they will love you, and they will help continue this work. The scripture that comes to my mind is simply this:

Psalms 118:8, 'It is better to trust in the LORD than to put confidence in man. It is better to trust in the LORD than to put confidence in princes.'

God is able. God bless you so much today. If I were there I would give you a big hug because you clearly have the Master's heart!

Shalom Avram,

My name is Riaan and I'm situated in South Africa. I have read through your writings and want to express that you have my full support.

As a previous member of a Pentecostal Congregation I have been led by the Spirit to this website after visiting many other websites (Judaic Messianic, Judaic, Search for the Lost Ten Tribes, etc.).

I have not been satisfied as to doctrines reflected in all of them, it was simply for me an abomination of the Catholic Church and Judaism and Christianity. The Word the Master said to me was, 'I will open your eyes and you will be able to understand.'

At that stage I thought that I would not be able to meet people who think the same as I do, being condemned by everybody I know, about the way YAVEH is leading me through the Spirit.

The LAW never died and was never nailed to the cross. YESHUA came just to confirm and establish the LAW and with HIM as the Passover Lamb it makes HIS divorced wife Yisrael a widow so that she could marry again and go into a new nuptial contract and start afresh a New Covenant with Yahweh with the LAW inclusive because this is what pleases the Bridegroom.

Praise Yahveh!

Kindly reply and give me the pre-requisites to be able to start a congregation based on the True Word in South Africa.

I observe the TORAH, dietary laws and spend 1 hour in prayer for guidance. Furthermore I have read through Goodbye Messianic Judaism!, Law 102 and The Feasts of Israel.

Shalom and Peace

Thank you for your article.

I am part of the leadership in a fellowship that was firmly entrenched in Christian paganism and we are coming out of it, recognizing the Truth of Torah. One of the things we face is the influence of those who would like to lead people into Jewish paganism. Your article is eye opening and the star of David menorah's in our fellowship were removed this week.

I would like permission to post your article on my blog, and I will link it to your article. May I do so?

Thank you,

Hi Avram,

I am blown away by your website and the information and revelations it contains. It makes so much sense & answered many questions.

I am from Cape Town, South Africa and felt so isolated in wanting more than what was presented world wide. Your website gives answers and strikes a chord of truth within me.

Regards and Thank you
