5. [Books to Read](#) and Movies to see. A number of the books and movies can be read or seen online for free. All of these books are “must read” books, and all the movies are “must see” movies to further one’s understanding of Scripture, Yeshua, Jews, the world and us:

1. Avram Yehoshua—[SAM the Rock Thrower](#) and *Other Times of Witnessing in Israel*. Avram (and his wife Ruti) lived in Israel for 16 years and he witnessed to literally thousands of Israelis “one on one” on the streets, buses, restaurants and market places of Israel. In “Sam” you’ll see how Avram uses only the Old Testament to witness to his Jewish people about the Messiah of Israel. You’ll also learn how to witness to the Jewish people through osmosis (reading the book!). It’s captivating and informative; a priceless treasure and an important contribution to Jewish evangelism on either side of the Atlantic. Avram also interweaves his testimony throughout the book. It’s a free read...enjoy.
2. Avram Yehoshua—[The Lifting of the Veil: Acts 15:20-21](#). Those two verses establish Mosaic Law as God’s lifestyle for every Christian by revealing that the four rules of James (v. 20) weren’t given for Table Fellowship, as the Church falsely teaches. The four rules are actually a conceptual unit on sacrificial-sexual idolatry. The early Gentile Christians had to sever themselves from their gross practice of sacrificial-sexual idolatry, which was embedded in the religion and mindset of most Gentiles, in order for their faith in Jesus to be seen as genuine, for most Gentiles *would have just added* “Jesus” to their pantheon of pagan gods and goddesses, not realizing that Jesus doesn’t countenance any rivals. These four rules for the Gentiles weren’t the only rules, as the Church again heretically teaches, but the most important rules that the new Gentiles had to know because worship of other gods along with Jesus would negate their salvation, the very theme of the Council of Acts 15 (cf. Acts 15:1-5f.). From the time of Cornelius & Friends in Acts 10, nine years earlier, James realized that the Gentile Christians *had been learning Torah* (Mosaic Law) in the synagogues (Acts 15:21; cf. James 2:2, where the *Greek word for synagogue* is used, but most English Bibles have “assembly” or “congregation”), and this is why James acknowledges it in Acts 15:21—the Gentiles were going, and would continue to go, to the synagogues or house churches *to learn about the God of Israel and His Way of living out their faith in Yeshua through Torah*. My latest version is a free read; just click on the title above. (If you would like to get an older hard copy, you can get the 2015 edition on Amazon, but the book on my website is a revised 2023 version). Below are some comments from readers:
 1. Donna Klindt of Cody, Wyoming wrote that “Art Katz said, “What we hear (or read) should be an *event* in our lives if it bears the words of life from our living God.” Your book is an event in my life. It has been consuming, confirming and challenging, all at the same time. I must begin digesting the Manna because it’s Manna...my view of Scripture has once again been changed...now the Word makes more sense...yet there has been a Veil. I feel like it has been torn away and the Light is too bright to look at all at once. Thank you, precious brother.
 2. Carla of California said, “A necessary read! This book lines up. It brings clarity where there has long been confusion, especially those places in the New Testament that never seem to quite make sense, about which pastors and Sunday school teachers either glaze over, make awkward dogmatic statements or (preferably) admit their lack of understanding...I have been longing to read a book like this one for years and it has encouraged me to study more. I will keep it close by as I do.”
 3. Daniel Fuentes of Florida said, “During the two weeks in which I read your book, I did not read any of

the textbooks in the two courses that I am currently enrolled in. I was that enthralled by your book.”

4. Darryl Thomas, Sr., Pastor of Kingdom Life Ministries, Talladega, Alabama said, “I finally got *The Lifting of the Veil*. I started in the Introduction with my Bible and highlighter, and the Introduction alone is worth the price of the book.”
5. Dee Williams of Mansfield, Ohio stated, “I wanted to tell you that after finishing your book, “*The Lifting of The Veil*,” my understanding has been opened to many Scriptures that seemed difficult. You have a unique gift for opening up the Scriptures to a very deep level. Thanks also, for sharing your wisdom, knowledge and understanding with those of us who visit your website in search of truth.”
6. Elizabeth Smit of South Africa said, “I have read (studied) your book. What an incredible piece of work you have done on this! So informative, so thorough, and so eye-opening! How we Gentiles have strayed from the truth and made ourselves to believe the lie! I have a lot of information now to share with friends. Thank you very much...and what a feast this was!”
7. Keyho Kang, Canada (originally from Korea) wrote, “I’ve found your book amazing. Your book seems to hit the center of the target, very sharp, and to have the essence of the true Messianic faith. I believe that your book should be widely circulated. Thank you again and Shalom.”
8. Pete Rambo, pastor of Davar Chaim (Word of Life) in Newberry, South Carolina, said, “*The Lifting of the Veil: Acts 15:20-21* is a fantastic scholarly work! There is NO better treatment of Acts 15:20-21 on the planet than this book! If there are two verses that Christianity has misinterpreted or misrepresented more than these two, I’m not sure what they are. One of the cornerstones to “abolishing the Law” is the wrongful use of these verses. Unfortunately, most scholars are not willing to listen “to the average Joe” who has awakened from Lawless stupor because “Joe” does not have any “credibility” in scholastic circles...Scholars and theologians also have a need for peer acceptance. Thus, peer review. As such a conundrum is created that prevents those who understand that Torah still applies today, from being accepted by established theology that has stated for 1900 years that it no longer applies.
 - a) Yehoshua, understanding this dilemma, uses their own sources and writings to expose and dismantle centuries of errant understanding of Acts 15:20-21 and the resultant wrong theology. *The Lifting of the Veil* is by no means light reading. Parts of the book I had to take in bite size pieces to process the information fully. Using an extensive bibliography, including many respected Christian theologians, Yehoshua exposes in many cases, right understanding, but unwillingness to follow it to the right conclusion. In other cases he reveals absurd understandings of these two verses in an effort to justify antinomian (Lawless) theological presuppositions. The average reader will be blessed by this book...No stone is left unturned in proving the exact meaning of Ya’acov’s (James’) four rules, as well as what they did, and did *not*, mean.
 - b) Abundant material and “leads” are given for deeper personal study and preparation to greater understand some of the more challenging passages in Scripture. Acts 15:20-21 is foundational for most all of them. I highly recommend this book for your personal study, then recommend you hand a copy to any thinking pastor or professor who is willing to take a look at the facts!”
9. Tienkie Erasmus, Pretoria, South Africa, wrote, “Shalom Avram, I really enjoy the letters of your witnessing in your monthly New Moon Emails—they are so inspirational! Our group had a workshop where Christians were invited. It was excellent. What I liked, and thought you might appreciate, is that one of the presenters had your book there and was telling everyone that it is a “must read!”
10. Timothy Beukman, pastor, Cape Town, South Africa stated, “I have read many views on Acts 15 and never have I read what you wrote in your book. I have to commend your diligent research and understanding of this particular Scripture. When I was in the church I never knew anything about the “first letter to the Gentiles” (Acts 15:22f.) Your understanding on this topic far supersedes...messianic teachers and pastors alike. As I read it and came to understand that the four rules are a representative whole,

it blew my mind away. I have used your book as a teaching tool within our Bible Study group and it has been a success. Interestingly enough, I also had to study the Book of Acts while at seminary and the set textbook that was used was F. F. Bruce, whom you quote many times in your book.

a) Your layout and interaction with the material is great. You have taught me a lot with your understanding and the help of the Holy Spirit. What I appreciated most is your follow through all the way to the Book of Revelation and the similarity of the churches in Thyatira and Pergamos, for the sin of sacrificial-sexual idolatry. Coming out of the Church and seminary, and seeing how things have been twisted first hand, and having this book and the understanding you bring out of the four rules, has laid a whole new foundation for me...This was a great book! Thank you so much!"

11. Yakov Snyder, minister and elder for The Seed of Abraham in Cincinnati, Ohio said, "This book is by far the best on the subject of Torah and its relationship to the followers of Yeshua the Messiah, be they Jew or Gentile. The author looks deep into the meanings of key Greek and Hebrew words and phrases in both the New and Old Testaments, and he brings to light many things that shake the very foundation of modern Christian apologetics. Even the Church position on grounds for divorce is seen in an entirely new Light! If you ever wondered why the Church threw out the Law, even though Jesus said He did not come to destroy the Law (Matthew 5:17-19), and Paul is recorded as righteously keeping the Law (Acts 21:24), as well as *thousands* of Jewish believers (Acts 21:20), then this book is perfect for you. No questions are left unanswered. This is truly a magnificent work! This book should be required reading in every church and Bible Study group."
3. A. T. Pierson—*George Muller of Bristol* (Grand Rapids, MI: Kregel Publications, 1999). Muller was a German drunk who met Jesus one day, and the Lord used him mightily, to not only establish orphanages for more than 500 English children, when England let them roam her streets, begging and being abused, but Muller also lived a life of faith and trust in Jesus that was second to none.
4. Alexander Hislop—[The Two Babylons](#). *The Two Babylons* reveals that all pagan religions originated in Babylon and spread throughout the Earth. Hislop then overwhelmingly proves that the Roman Catholic Church is Revelation's New Testament Babylon (Rev. 14:8; 16:19; 17:5; 18:2, 10, etc.); its teachings and ceremonies, etc., coming from ancient Babylon. In other words, the Roman Catholic Church, like the cults of Mormons and Jehovah's Witnesses, is the largest Christian cult in the world. It's the antithesis of biblical Christianity. Read it for free.
5. Alfred Edersheim—[Sketches of Jewish Social Life](#) takes one into the ancient world of the Jewish people in the days of Yeshua and reveals their clothing and culture. You can read this informative book for free.
6. Alfred Edersheim—[The Life and Times of Jesus The Messiah](#). In the late 1800s, Edersheim was the chief authority on the understanding of Talmud (the oral "Bible" of the Pharisees), and Yeshua. Edersheim's Christian classic reveals insights into many things of Yeshua's time, one of which is how different the teachings of the Pharisees were to Messiah's, even though many of them looked similar. You can also read this book for free.
7. Alfred Edersheim—[The Temple: It's Ministry and Services](#). Another great book by Edersheim in which he reveals the daily life of the Temple and its sacrifices, and the priests who made it possible. This is also a free book to read.
8. Amy Carmichael—*Mimosa* (Fort Washington, PA: CLC Publications, 2015). Amy was an English woman who lived and ministered in the 19th and 20th centuries. She dedicated her life to Jesus, serving Him in India. Her life story is very inspirational, but in *Mimosa* she writes of a young Hindu girl, Mimosa, who heard Amy speak of Jesus only once. Mimosa was forbidden by her Hindu father to learn anymore of Jesus. In the few minutes that Mimosa heard Amy speak of Jesus, she grew up and became an incredible Christian of faith who trusted in Jesus in ways we can't begin to imagine, just from the short time that she heard Amy speak to Mimosa's older sister and her father about Him that one time. A truly amazing story of how the

Lord Yeshua leads His lambs to Himself, and watches over them to protect them and to provide for them.

9. Bodie and Brock Thoene—*The Zion Chronicles* (Bethany House Publishers, 1988). This is one of the most enthralling books I have ever read. As the Jewish people struggle to recover from the horrors of the Nazis, who savagely murdered two-thirds of European Jewry, Jews stream into British Palestine, and the nations wonder if the Jews will be slaughtered once again—this time by the Arabs in Palestine and seven other Arab nations. The Thoenes interweave historical fact with their characters to create a priceless glimpse of the Christian, Jewish and Arab drama that surrounded the establishment of the State of Israel in 1948. It's an exciting series that Ruti and I couldn't put down. You can get a used five paperback series for about \$25 on eBay.
10. Bruce Olson—*Bruchko*. The true story of teenager Bruce Olson and his life of faith among the Montilone Indians in South America, and the truly incredible way the Lord led him to offer the Gift of eternal life to the Montilones and other primitive tribes.
11. Carolyn Glick, *The Israeli Solution—A One-State Plan for Peace in the Middle East* (New York: Crown Forum; 2014). "Everyone" is set on a two state solution, but in all these years it hasn't come about, and hopefully, it won't. Glick has the intelligence and the insight to present a one-state solution. Excellent!
12. Corrie ten Boom—*The Hiding Place* (New York: Bantam Books, 1974). Corrie's father taught his daughters that the Jews were God's chosen people, and so when the Nazis invaded Holland (the Netherlands) during WWII, the family hid many Jews and helped them to escape to farms, etc. One day they were caught by the Nazis and imprisoned. It was in prison that Corrie learned the divine lesson, from her sister Betsy, that you fight fire with the Water of Jesus' Love and Forgiveness, even and especially for her enemies.
13. Corrie ten Boom—*Tramp for the Lord* (New York: Jove Books, 1978). After WWII Jesus led Corrie to travel around the world and share how she was able to forgive the very Nazi prison guard who ruthlessly and unmercifully persecuted her sister Betsy unto death, and many others, while in a Nazi prison death camp during WWII.
14. Dave Hunt—*A Woman Rides the Beast* (Eugene, OR: Harvest House Publishers, 1994). Alexander Hislop wrote of the Roman Catholic Church being the Harlot of New Testament Babylon, and revealed how Catholicism is a perfect copy of ancient Babylon's religion. Dave Hunt, in his complementary book, fills in the gaps of Rome's demonic cruelty, persecution and murder of millions of Protestant Christians over the centuries, who would not bow their knees to the ruthless Popes and their doctrines of sprinkling infants and transubstantiation—the bread actually becoming the body of Jesus; the wine, His blood, and the priest re-sacrificing Christ in the Eucharist (communion). One of the startling things about Hunt's book is that he reveals that what Rome did to Protestants in the past, is actually happening today in countries in South America. In other words, whenever Rome has political power it uses it to crush any Christian opposition to Herself.
15. Dave Roberson—[The Walk of the Spirit](#). Roberson shares how he came to be gloriously baptized in the Holy Spirit, and how we can be too. Many excellent insights into how to walk in the Holy Spirit. It's a free download.
16. David Bivin and Roy Blizzard—*Understanding the Difficult Words of Jesus* (Shippensburg, Pennsylvania: Destiny Image Publishers, 2001). The two authors, having translated the Greek New Testament into modern Hebrew, found that a number of the Greek passages, which made no sense in Greek, became understandable in Hebrew. Many passages come alive as their true Hebrew meanings are seen. Excellent book!
17. David Wilkerson—*The Cross and the Switchblade* (Grand Rapids, MI: Zondervan, 1963-2000). Wilkerson was catapulted into national fame when the Lord led him from his small Assembly of God congregation in Pennsylvania, to proclaim Jesus to gang members in New York City. The leading and power of the Holy Spirit to deliver drug addicts is clearly seen in this telling of how it all began and also, how Teen Challenge

- grew out of this.
18. Derek and Lydia Prince—*Appointment in Jerusalem* (New Kensington, PA: Whitaker House, 1975-2005). Lydia was a Christian in Europe whom God filled with the Holy Spirit, and then mightily used in Israel to save both Jewish and Arab children whom no one wanted. A powerful story.
 19. Dr. Howard Taylor—*The Spiritual Secret of Hudson Taylor* (New Kensington, PA: Whitaker House, 1996). Hudson Taylor was born in England in 1832. He would “single-handedly” open up mainland China for Jesus Christ. His spiritual secret is a divine gift to the Body of Messiah in how to always know that one is walking with the Lord.
 20. Elisabeth Elliot—*A Chance to Die: The Story of Amy Carmichael* (Grand Rapids, MI: Revell, 1987). Amy (Dec. 16, 1867–Jan. 18, 1951) grew up in England and gave her life to Jesus, who led her to India to serve Him by taking care of orphans. She opened an orphanage and founded a mission and served in India for 55 years. Amy wrote many books about the missionary work there and is seen as a godly woman who gave herself totally to Jesus.
 21. Elmer Josephson—*God’s Key to Health and Happiness* (Grand Rapids, MI: Fleming H. Revell, 1985). Josephson was a pastor in Kansas who had been told by the doctors to go home and die, for they could do nothing more for him. The Lord led him to stop eating pig and he began to follow the Mosaic Dietary laws and he fully recovered and lived for many years. He writes about it and *God’s Key to health and Happiness*.
 22. F. F. Bosworth—[Christ the Healer](#). Bosworth was used mightily by the Lord in healing many thousands of people. His prayer was that Christians would learn to apply the promises of God’s Word to their lives through his book. Bosworth offers an excellent discussion of healing, based on the premise that Jesus redeemed us from all our diseases (Is. 53:5) when he atoned for our sins. You can download the book for free.
 23. Frank Bartleman—*Azusa Street* (New Kensington, Penn: Whitaker House, 1982). First published in 1925, this book is an important account of an event which has, over the past century, swept the world and transformed Christianity as nothing else has since the days of the Apostles. The Holy Spirit was poured out on Azusa Street in Los Angeles from 1906-1909 in a way that the world had not seen before nor since.
 24. Gene Edwards—*A Tale of Three Kings* (Wheaton, IL: Tyndale House Publishing, Inc., 1992). Incredibly insightful into our human nature and how to follow God or to rebel against Him. Edwards uses three Old Testament characters, King Saul, King David, and King Absalom, to reveal how to steer clear of the first and the last one, and how to follow Yeshua as David did.
 25. Gordon Tessler—*The Genesis Diet* (Raleigh, North Carolina: Be Well Publications, 1996). The Genesis Diet offers many fine insights into the biblical foundation for eating.
 26. Hannah Hurnard—*Hinds’ Feet on High Places* (Uhrichville, OH: Barbour Books; Tyndale House Publishers, 1977; the complete and unabridged edition). In the early 1900s, Yeshua took an anti-Semitic English girl and made her a missionary to the Jewish and Arab people of Palestine. Her book follows the adventures, trials, set backs and ultimate success of the main character that she names, Little Much Afraid, as she tries to follow the Shepherd to the place of transformation and Life.
 27. Harry Zvi Hurwitz—*Begin: His Life, Words and Deeds* (Jerusalem: Gefen Publishing House, 2004). Menachem Begin’s most important and unique contribution to the Jewish people was his selfless, sacrificial serving of the people of Israel, his wisdom in leading them, and also defending Israel. One such example was the bombing of the Iraqi nuclear plant on June 7th, 1981. Menachem Begin loved the people of Israel and the Land of Israel. His character came out in his deep faith and courage, as well as his modesty, integrity, truthfulness and adherence to the principles of “right,” no matter how difficult or unpopular it was. Begin was the most beloved Prime Minister Israel has ever had because he was ‘one’ with his Jewish people and they knew it. A great book, told by Harry Hurwitz, the man who was Begin’s secretary for many years.
 28. Howard M. Sachar—*A History of Israel From the Rise of Zionism to Our Time* (New York: Alfred A. Knopf,

- 2000). A foundational “must book” to understand the history of Israel. Excellent!
29. Jack Deere—*Surprised by the Power of the Spirit* (Grand Rapids, MI: Zondervan, 1993). A former Dallas Seminary professor who taught that the Gifts of the Spirit had long ago ceased, describes his personal journey away from that false dispensational view into the fuller, biblical experience of the Holy Spirit.
 30. Janet and Geoff Benge—*Charles Mulli* (Seattle, WA: YWAM Publications, 2017). When Charles Mulli was a child, his family repeatedly abandoned him, and he lived in fear of his abusive, alcoholic father. With an extraordinary will, the young Kenyan struggled to feed and educate himself. He became a multimillionaire and father of eight, and encountering hope and life in the Gospel, found a reason to live and to forgive. The entrepreneur sold his businesses to devote himself to caring for street children (orphans) throughout Kenya. Since 1989, Charles and his wife Esther, have taken into their protection thousands of the most vulnerable children through Mulli Children’s Family, revealing in the midst of brokenness, God’s astonishing redemptive power. After Mulli had spent all his fortune on the children, he found that Jesus always provides. A riveting book reflecting Mulli’s life.
 31. John Bunyan, Author; L. Edward Hazelbaker, Translator—*The Pilgrim’s Progress* (North Brunswick, NJ: Bridge-Logos Publishers, 1998). The Pilgrims Progress is a famous story of man’s journey through life in search of salvation and remains one of the most entertaining allegories of faith ever written. John Bunyan (1628-1688) was an English writer and Baptist preacher best known for his Christian allegory *The Pilgrim’s Progress*. Bunyan spent many years in prison for his faith in Jesus, and it was during this time that he began writing *The Pilgrim’s Progress*. It’s the second best selling book for the last 200 years; second only to the Bible. Hazelbaker does a tremendous job in retaining the essence of the work while updating it for modern English readers. (Get a used book as Amazon wants \$25.65 for a new one; an outrageous price. You’ll see “used books” from \$13.38 when you click on the URL or you can get it on Kindle for \$8.24.)
 32. Kay Arthur—*Israel My Beloved* (Eugene, OR: Harvest house Publishers, 1996). The book begins with the tragic and horrible sins that led to Israel’s captivity by and in Babylon, and extends all the way to the modern-day miracles of triumph for Israel, against all odds. It’s an incredible testimony of God’s great love and faithfulness to Israel, even and especially after her sins of idolatry.
 33. Larry Martin, Dr.—*The Life and Ministry of William J. Seymour* (Pensacola, FL: Christian Life Books), 2006. Beginning in 1906, Seymour led a revival that spread the Baptism of the Holy Spirit around the world. In 1999 religious newswriters voted the Azusa Street Revival as one of the ten most important religious events of the *millennium*. Seymour has been called the most influential black religious leader in American history. Born in 1870 in Centerville, Louisiana, William Seymour left the south and lived in Missouri, Indiana, Illinois and Ohio, usually working as a hotel waiter. He was baptized as a Roman Catholic, converted in a Methodist Church, and then joined the Church of God Reformation movement. In 1905 he encountered Charles Parham in Houston, Texas and embraced the Pentecostal teaching of the Baptism in the Holy Spirit with the evidence of speaking in tongues. In April 1906 God poured out His Spirit upon Seymour and for three years he held services three times a day, seven days a week, and sent out many missionaries around the world with the message of Pentecost.
 34. Larry Martin, Dr.—*The True Believers* (Pensacola, FL: Christian Life Books), 1998. The book is a collection of testimonies from eye witnesses that attended the services at Azusa Street under Seymour. Awesome!
 35. Michael Oren—*Ally* (New York: Random House, 2015). Oren does an excellent job of cataloguing Obama’s disastrous policies, from his Cairo speech to the concessions he made to Iran. A gifted historian whose account of America’s interventions in the Middle East, “Power, Faith and Fantasy,” was a best seller, Oren grew up an American in West Orange, New Jersey, and emigrated to Israel in 1979. Three decades later he became Israeli ambassador to the USA. Well written!
 36. Norman Grubb—*Rees Howells: Intercessor* (Fort Washington, PA: CLC Publications, 2016). A most godly man whom the Lord used in many ways, one of which was the saving of England in WWII through prayer.

37. Roberts Liardon—*John G. Lake—The Complete Collection of His Life Teachings* (Tulsa, OK: Albury Publishing, 1999). Lake (1870-1935) was used by our Lord to lead thousands into the Baptism of the Holy Spirit, and heal many tens of thousands. An incredibly inspirational book, it also speaks of his accounts with healing people, etc.
38. Samuele Bacchiocchi—[From Sabbath To Sunday](#). This is the definitive work on the issue of God’s Sabbath vs. Rome’s Sunday. Bacchiocchi reveals that it was Rome, about 120 AD, through Pope Sixtus, who threw out Mosaic Law and brought in *illicit SEX* (an acronym for Sunday, Easter and Xmas, which also includes the eating of pig and other unclean animals; anti-Mosaic Law and anti-Semitism). It was not Constantine 200 years later, who elevated the Roman Church to official status within his empire, therefore “authorizing” Rome’s heresies. Bacchiocchi explains the glory that is God’s Sabbath and deals with Scripture that the Church uses to invalidate the Sabbath, as well as presenting the historical understanding as to what was happening in the second century, revealing that Man, not God, changed Sabbath to Sunday. It’s a free read.
39. Tom Segev, Author; Haim Watzman, translator—*The Seventh Million: The Israelis and the Holocaust* (New York: Henry Holt and Company, 2000). Segev shows the “decisive impact of the Holocaust on the identity, ideology and politics of Israel” (back cover). Well worth the read.
40. Tommy Welchel—*Azusa Street: They Told Me Their Stories* (USA: Dare 2 Dream Books, 2010). The book gives you an account of over three years of eye witness reports of *daily* healing miracles. Some were spectacular, like the growing back of missing fingers or limbs. Old rotten teeth were replaced by new teeth. No one was turned away without a healing. All of the miracles were performed by invoking the power of the Holy Spirit in the name of the Jesus.
41. Yehuda Avner—*The Prime Ministers* (Jerusalem: The Toby Press, 2010). The book reveals Israeli politics from an insider’s perspective, from the founding of the Jewish State to 2009. We are privy to stunning details of life-and-death decision-making, top-secret military operations and high level peace negotiations. An excellent book!
42. **MOVIES**
1. [Above and Beyond](#) is an incredible documentary about how God, in 1948, used a few WWII American Jewish volunteer pilots to help fight for Israel’s independence and survival, and literally saved the Jewish people there from annihilation. At the time Israel had no air force nor any military planes; just a couple of piper cubs, which is seen in the film, [To Cast a Giant Shadow](#). The day after Israel announced its statehood, Israel was attacked by seven Arab nations (Egypt, Syria, Jordan, Saudi Arabia, Lebanon, Yemen and Iraq). They spoke of overrunning Israel and murdering all the Jews, saying that what Hitler had done would be nothing compared to what they would do to the Jews. Their military might was staggering compared to the Jews who didn’t have any tanks or military planes, and also, most of the Jewish “Army” consisted of Holocaust survivors who had literally “just got off the boat,” untrained in warfare, and who were vastly outnumbered by professional Arab soldiers, but the God of Abraham, Isaac and Jacob was on the side of Israel. It’s \$3.99 on Amazon Prim or maybe free on YouTube, but does have some language that is inappropriate for young children.
 2. [An American Tail](#) is about a family of Jewish Russian *mice* who leave Czarist Russia, due to the pogroms of the Cossack cats, and emigrate by boat to America. On the way, young Fievel is lost overboard, washes ashore in the USA, and experiences thrilling adventures as he tries to find his parents in this animated family classic. It’s \$3.99 on Amazon Prime and great for children of all ages.
 3. [Avalon](#)—A Jewish family comes to the USA at the beginning of the 20th century, and they and their children try to make themselves a better future in the world’s version of “the promised land.” An exceptional movie! \$3.99 on Amazon Prime.
 4. [Behind the Sun](#) is the story of a young Arab man, born and raised a Muslim in the Middle East, who, while attending college in America, finds Jesus. After receiving a degree and a good job, he goes back

home on vacation to see his parents, and wants to eventually tell them about Jesus, but the Lord has, what at first, turns out to be the scariest adventure of his life. The man faces the wrath of his father and relatives for converting to the religion “of a dead man!” It a great movie on “faith under Fire.” It’s free on Amazon Prime or YouTube.

5. [Ben Hur](#) with Charlton Heston is an epic drama about an aristocratic Jew living in Judah during the time of Yeshua, who incurs the wrath of a Roman tribune, who was once his best friend. Although forced into slavery on a galley by the tribune, and compelled to witness the cruel persecution of his mother and sister, he survives, harboring dreams of vengeance, until he meets Jesus. \$3.99 on Amazon Prime.
6. [Defiance](#) with Daniel Craig. In 1941, Nazi soldiers and the SS are slaughtering Eastern European Jews by the hundreds of thousands. Three brothers, Tuvia (Daniel Craig), Zus (Liev Schreiber) and Asa’el (Jamie Bell), manage to escape and take refuge in the forest where they played in childhood. Seeking a way to avenge the death of their parents, the brothers turn their daily struggle for survival into a battle against the Nazis who come after them. As news of their exploits spread, other Jewish men, women and children, join the brothers, and community of 1,000 Jewish people forms. They live for years in the Belarussian Forest between Belarus and Poland, encountering Nazi attacks, but setting up a school and community that can move out at a moment’s notice. It’s an excellent movie. \$3.99 on Amazon Prime.
7. [Denial](#)—Deborah E. Lipstadt (Rachel Weisz), an American woman, battles for historical truth in Britain, when infamous Holocaust denier, David Irving (Timothy Spall), sues her for libel (1996) concerning what Deborah wrote in her book, *Denying the Holocaust* (1993), about Irving. It’s not “an open and shut case,” as British law is not on her side. A very gripping movie. Free on Amazon Prime, and possibly YouTube also.
8. [Exodus](#) with Paul Newman. The movie is based on Leon Uris’ novel of the same name and is an historical epic movie that provides a dramatic backdrop to the creation of the State of Israel in 1948, in the aftermath of the Holocaust and World War II. Ari Ben Canaan (Paul Newman), a passionate member of the Jewish paramilitary group Haganah, attempts to transport 600 Jewish refugees on a dangerous voyage in the Mediterranean Sea, from Cyprus to Palestine, on a rickety ship renamed, Exodus, for obvious, biblically symbolic reasons. He faces obstruction from the anti-Semitic British government, army and navy of that time, who will not grant the ship passage out of the harbor to its destination. The ship becomes a symbol for the rebirth of the nation of Israel out of the ashes of the Holocaust. Many facets of Jewish resistance against the heartless British government, who had interned (read: imprisoned) the Jewish people on Crete, who wanted to live in Palestine, are presented in the movie. It’s a very powerful film, with Ari falling in love with an American Gentile woman, who is not concerned about the Jews, until she falls in love with a teenage Jewish girl who survived the Nazi camps of extermination, and of course, she then falls in love with Ari (Paul Newman) and becomes emotionally understanding and concerned about the plight of the Jews and their hope for survival in the land of their Fathers. \$3.99 on Amazon Prime, but it may be free on YouTube.
9. [Fiddler on the Roof](#) with Topol and Norma Crane. This is the quintessential story of the Jewish people in anti-Semitic Europe, symbolized with Tevye, the Jewish milkman, his family and his Jewish community in anti-Semitic Czarist Russia in the early 1900s. An incredible movie. It’s \$3.99 on Amazon Prime, but may be free (with ads) on YouTube.
10. [Follow Me](#) is the story of Yoni (Yonatan) Netanyahu, the older brother of the Prime Minister of Israel, Benjamin Netanyahu. Yoni was a lieutenant colonel when he masterminded and led the Israeli raid on Entebbe, where more than 80 Israelis and non-Israeli Jews were being held captive by terrorists. They had hijacked an Air France plane going from Athens to Paris, and commandeered it to Entebbe, Uganda. The Israeli raid on Entebbe became the world’s model for dealing with terrorists and their demands to let their “terrorist brothers” go free from prisons around the world. It’s free on Amazon Prime or

YouTube.

11. [I Believe](#)—The beautiful story of a nine year old boy, Brian, who sees a church sign speaking of Jesus saying “Greater things you will do...” and whose pure and innocent faith brings about manifestations of God’s extraordinary power that quickly become breaking news. He faces heavy opposition from the world around him, especially from his own father Simon, an atheist TV Newscaster. It’s a heart-warming and inspirational film. It’s free on the above link to YouTube, but \$4 on Amazon.
12. [Jesus of Nazareth](#). Absolutely the best “Jesus” movie ever made. Starring Olivia Hussey as Mary, this epic film includes Ernest Borgnine, James Farentino, James Earl Jones, Stacy Keach, James Mason, Laurence Olivier, Christopher Plummer, Anthony Quinn, Rod Steiger, Peter Ustinov (who does an incredible job as King Herod), and Michael York as John the Baptist (a super performance). Robert Powell portrays Jesus, the most believable “Jesus” on film. It’s on YouTube with ads, or you can pay \$1.99 (Amazon) to see it without the ads, which is a much better choice. Made in 1977, it runs a little more than 6 hours. See my [review of the movie](#), <https://seedofabraham.net/Jesus-of-Nazareth-Film-Errors.pdf> *after* you’ve seen the movie.
13. [La Rafle](#)—Jean Reno and Melanie Laurent star in Rose Bosch’s, La Rafle (The Roundup). It presents the true story, through the eyes of a French Gentile nurse, who risked her own life, as the Nazis rounded up French Jews to be sent to the death camps in Poland. Very touching. Free on Amazon Prime.
14. [Labyrinth of Lies](#)—Upon learning that many former Nazis returned to their pre-war lives with no penalty or punishment, an integrous German prosecutor vows to bring them to justice. This movie reveals how one man of integrity can make an incredible difference. Excellent movie.
15. [Palau—The Movie](#)—The story of Luis Palau (1934-2021), an Argentinian man who lost his father at ten years old, and whom God would use to evangelize the world. He proclaimed the Message of Jesus to 25 million people in more than 75 nations, before he died in March 2021.
16. [Run Boy Run!](#)—A gripping film based on true events, about a Jewish boy continually escaping the clutches of the Nazis. Free on Amazon Prime.
17. [Stars in the Galaxy—Indescribable](#) by Louie Giglio. An excellent presentation of the God who designed the universe and our relation to the stars and Him.
18. [The Chosen](#) starring Rod Steiger as a Hasidic rabbi and his desire to direct his son (Robby Benson) in the right path of Hasidism. Maximillian Schnell plays an Orthodox rabbi whose own son befriends the Hasidic rabbi’s son, and that’s when the two totally different Jewish worlds clash. An excellent film. It’s \$1.99 on Amazon Prime, and it’s on YouTube for free.
19. [The Courageous Heart of Irena Sendler](#) is the inspiring World War II drama about Irena Sendler, a Polish woman who saved 2,500 Jewish children in the Warsaw Ghetto. Based on a true story, the movie shows Irena’s efforts to develop a network of contacts to accomplish her dangerous mission. Using fake identification to pass herself off as a nurse, Irena, who was a social worker, until the Nazis stopped all social workers from going into the Ghetto, is able to continue to enter the Ghetto as a nurse. This allows her to save Jewish children by “smuggling” them out of the Ghetto and placing them with trustworthy Catholic families, who teach them to pass as Polish Catholic children so the German authorities never know the difference, yet who are told of the being Jews after the war. This URL will take you to YouTube. It may have ads, but it is worth it, and it’s probably also on Amazon.
20. [The Devil’s Arithmetic](#) with Kirsten Dunst and Brittany Murphy. An exceptional film about the profound change of attitude a Jewish American teenage girl, in the 1980s, has about Passover and the Holocaust once she is transported back in time to a Polish Jewish village that is about to be taken to a Nazi concentration camp. It’s free on Amazon Prime or YouTube.
21. [The Jewish Cardinal](#)—The true and riveting story of a Catholic Cardinal, of Jewish heritage, whose

connection to his Jewish father grows as he protests the construction of a convent on the grounds of Auschwitz. Free on Amazon Prime, with ads, and probably YouTube also.

22. [The Last Princess](#)—Princess Deok-Hye was the last princess of Korea. Under Japanese colonial rule, she was taken to Japan at the age of 13, as a hostage, years before WWII. She struggles to maintain the hope of the Korean people, but she is thwarted on every side. Jang-Han is a fighter for Korean independence. His mission is to bring Princess Deok-Hye home to Korea, but it takes him decades after WWII (1962) to finally bring her home. It is an extremely poignant film about what the Princess and many Koreans endured, depicting the cruelty of not only the Japanese, but especially the Koreans who worked for the Japanese against their own country. We Jews know the savagery of Adolf Hitler and Joseph Stalin, and many, many others, but Japan was vicious against her enemies, especially Korea and China. World history is full of dictators and kings who murdered their own people for not bowing down to them, and this picture encapsulates that. Please pray for the people of Korea and China...and Japan.
 23. [The Little Traitor](#)—This is a fictional and insightful story of an unlikely friendship between a British sergeant and an Israeli boy, and the problems they faced from their respective group. It's set against the backdrop of the birth of the State of Israel in 1948. Free on Amazon Prime.
 24. [The Pilgrim's Progress](#)—While in prison for his faith, John Bunyan wrote a book that, since the 17th century, has sold more books than any other book in the world, except the Bible. This is an excellent animated version of the book, which is free on Amazon Prime, and with adds on [YouTube](#).
 25. [The Rabbi From Tarsus](#) is played by Phil Goble. An incredible performance of the last day in the life of the Apostle Paul in the dungeon of Nero. Even though it speaks of Paul being a rabbi, which Scripture never does, along with a few other mistakes, it's a beautiful rendition of what might have been, dealing with the Messianic problems of today in relation to Christianity. It's very informative and humorous, and also a faith builder. It's free to see.
 26. [The Secrets of Jonathan Sperry](#) with Gavin MacLeod and Robert Guillaume. This movie is especially relevant for children of all ages. Excellent! It's \$3.99 on Amazon Prime.
 27. [The Ten Commandments](#) with Charlton Heston. It's a classic, as Moses leads Israel out of Egyptian slavery and into the Wilderness to meet God. It's \$9.99 on Amazon Prime to buy it. Hopefully, it may be for rent now, or try YouTube.
 28. [The Testament](#)—The main character, Yoel, spent over fifteen years diligently studying the Nazi's methods of annihilating Jews in Austria and Hungary. In the course of his research he discovers that his mother is living under an assumed identity. Powerful movie about one man's desire for the truth. Free on Amazon Prime.
 29. [Time Changer](#) with Gavin MacLeod, David Morin, Jennifer O'Neil and Paul Rodriguez. In 1890, Bible professor Russell Carlisle (Morin) has written a book that a colleague, Norris Anderson (Gavin) finds troubling. Anderson transports Carlisle 100 years into the future where Carlisle sees first hand where his ethics without Jesus lead. An exciting movie that reveals the need to teach others that ethics, without Jesus as its foundation, is just another opinion in this World of Darkness.
 30. [To Cast a Giant Shadow](#) stars John Wayne, Kirk Douglas and Frank Sinatra, etc. WWII Jewish hero U.S. Army Colonel Mickey Marcus (Kirk Douglas) is called to the new State of Israel to build an army. Against the wishes of his wife, Mickey makes the journey and begins transforming a ragtag underground Israeli group of mostly civilians into Israeli's first fighting army.
